

ZeroGravity® QuickChange™ 3-in-1 Squeegee Mop Frame

Three Tools, One Innovative Frame

Discover the innovative ZeroGravity® QuickChange™ 3-in-1 Squeegee Mop Frame, designed to enhance cleaning efficiency, compliance, and cleanliness in one versatile tool. Compatible with the ZeroGravity QuickChange system, it simplifies your cleaning routine by combining the functions of three tools into one. Whether you're dealing with spills or dust, this frame works seamlessly with both SorbMore absorbent pads and Premira microfiber mop pads, offering a streamlined solution for any cleaning challenge.

This frame not only makes cleanup quick and easy, ensuring compliance with safety standards, but also promotes a cleaner, safer environment through its easy-to-disinfect design. The compatibility with high-performance Premira microfiber pads ensures superior cleanliness and a positive perception compared to traditional methods. Ideal for any setting that values hygiene and efficiency, the ZeroGravity QuickChange 3-in-1 Squeegee Mop Frame is your go-to for maintaining a pristine space with less effort and more confidence.

The ZeroGravity® QuickChange™ 3-in-1 Squeegee Mop Frame, equipped with dual-functionality for SorbMore and Premira™ microfiber mop pads, epitomizes versatility in cleaning. Designed for optimal efficiency and compliance, it ensures a superior clean across various environments, showcasing the future of hassle-free maintenance.
